# High Ridge Family Practice, LLC

- HRFP Physicians recognizes the changes occurring in our economy as well as in Healthcare
- HRFP accepts most insurance plans, except for Dual Eligible Medicare+Medicaid, Medicaid and State of CT Charter Oaks plans (We do not accept these)
- The following additional service lines / payment plans provide our patients with Insurance as well as those patients without Insurance, with Health Savings Accounts (HSAs) or with High Deductible Insurance Plans, alternatives for their Medical Care at High Ridge Family Practice
- HRFP patients may certainly continue with their present Health Insurance, Medicare and Medicare Advantage Plans – we will seek to keep all our patients informed of any changes and potential changes in the future

# High Ridge Family Practice, LLC

- 5 Additional Service Lines / Payment options are being made available in addition to routine Insurance and Cash at time of service.
- Each of these will be billed Monthly or can be paid once Annually as single fee.
- All Service Lines will have Medical Care Office Visit services still billed to Medicare and Insurance (except for Time Based Care options).
- Fees noted are additional as annual subscriber fees and are Non-covered services (not paid by Medicare or Insurance).
- These service lines provide additional services not available with routine Medicare or Insurance coverage.
- You must sign a commitment contract for a minimum of 6 months. Discount available if commitment contract signed for 1 year and paid in full at start of contract.

# High Ridge Family Practice, LLC
